DON WILLIAMS LYRICS

"You Love Me Through It All"

A

Some days I seem so far away,
 From where I want to be,
 And the things that I've accomplished
 Seem so small,
 When I'm weary of the struggle,
 And I feel I can't go on,
 You love me through it all.

B

Your love gives me a balance,
 When I'm standing on the edge,
 You keep me going
 When my dreams have stalled,
 And you're always building bridges,

When when I'm building walls,
 You love me through it all.

A

Sometimes I come home bragging,
 'Bout the things I've done that day,
 Like I think that I'm on top and
 cannot fall,
 But when I'm high on my successes
 Thinking only of myself,
 You love me through it all.

C

[Instrumental]

D

Through it all you're there to comfort
 me,
 You keep my feet on solid ground,

I know that I can make it,
 As long as you're around.

B

Your love gives me a balance
 When I'm standing on the edge,
 You keep me going
 When my dreams have stalled,
 And you're always building bridges,
 Even when I'm building walls,
 You love me through it all...
